To ensure timely review, submission must include a legible map with all siting locations & disturbance boundaries clearly marked. Designs are required for projects that have historic properties within the APE/Visual APE. The FCC 620/621 is not required by NCHPO for review and does not meet the OSA reporting standards for archaeological survey. Submit the completed form and map to: Renee Gledhill-Earley, Environmental Review Coordinator, State Historic Preservation Office, at Environmental.Review@ncdcr.gov (phone 919-814-6584). ****Allow at least thirty days for our review and comment****
