ARCHITECTURE CONSULTANTS AND CONSULTING FIRMS FOR ENVIRONMENTAL REVIEW PROJECTS

April 1, 2026

Note to firms: To request additions, removals, or changes of information, contact Environmental Review staff at environmental.review@dncr.nc.gov.

See the Office of State Archaeology's webpage: <https://archaeology.ncdcr.gov/programs/environmental-review/archaeological-consultants> for a roster of consultants for archaeological projects. Some firms listed below provide both archaeological and architectural services.

See the National Register Consultants list <https://files.nc.gov/ncdcr/historic-preservation-office/survey-and-national-register/nrconstl.pdf> for those consultants who prepare National Register nominations for architectural properties and districts.

The following list is provided by the North Carolina State Historic Preservation Office (HPO) as a service to the agencies, organizations, and individuals planning to conduct architectural surveys or preparation of National Register nominations for review and compliance purposes. The list contains names of firms and individuals who have previously conducted such studies in North Carolina or have otherwise notified the HPO of their interest in performing contracted studies. **The HPO assumes no responsibility for the accuracy of this list and does not attest to the personal or corporate qualifications of persons or firms appearing herein.** Contracting agencies are encouraged to consult other listings of potential contractors such as the membership list of the Society of Architectural Historians and to carefully examine the credentials of any firm or person contracted.

Additional details on the current listing, as well as information concerning the HPO-accepted contractual procedures, guidelines for report writing, review and professional qualifications are available through Renee Gledhill-Early, Environmental Review Coordinator, State Historic Preservation Office, 4617 Mail Service Center, Raleigh, NC 27699-4617, 919-814-6579.
